STATINTL

MEMORANDUM FOR:

Central Intelligence Agency

Subject: Reports on Congressional hearings on the Central
Intelligence Agency

We wish to thank you for supplying us with records of questions raised by the House and Senate appropriations committees during hearings on your agency's fiscal year 1957 budget request.

It was particularly helpful to us to know the Agency's response to questions raised in the Senate hearing. We would greatly appreciate receiving this same kind of resume of both questions and answers for future Congressional hearings for which public transcripts are not available.
